

Dexter Lions Club Gazebo Bricks

The Dexter Lions Club is offering you a great way to identify yourself with your love of Dexter

Imagine your children or maybe grandchildren coming back to Dexter in 10, 20 or 30 years and seeing the members of their family names etched in bricks in Monument Park. What a great gift to yourself, child, grandchild, friend or to commemorate a graduation or anniversary. You can have your name inscribed on a brick at Monument Park for \$50.00 per brick. This will help the Lions Club pay for gazebo maintenance and gives people the opportunity to show their love for the City of Dexter.
